# GUIDANCE ON THE UN SYSTEM-WIDE KNOWLEDGE HUB ON ADDRESSING SEXUAL HARASSMENT

The **UN System-wide Knowledge Hub on Addressing Sexual Harassment** serves as a central repository for resources, best practices, and tools that support the UN System's efforts to prevent and respond to sexual harassment. The Hub is publicly **accessible to all UN personnel, Member States, and Civil Society**, and **available in all six official UN languages** and fully complies with the Web Content Accessibility Guidelines.

Key Features

- As of November 2024, the Knowledge Hub hosts over **200 resources from the UN System and UN Member States, and civil society partners**, contributing to a shared understanding and collective action against sexual harassment.
- Visitors of the Knowledge Hub can search and **download resources**.
- The Knowledge Hub receives at a monthly average of 9,600 clicks.

How can your entity contribute to the Knowledge Hub

UN Women welcomes new resources and contributions from your entities, on a rolling basis. To contribute, please follow these steps:

① Prepare your resource

- Ensure that all content is suitable for public sharing, as **the Knowledge Hub is a public-facing website.**
- Submit your resources in PDF format to focalpoint.forwomen@unwomen.org.
- Include a **short description** of the resource and a **cover image**.
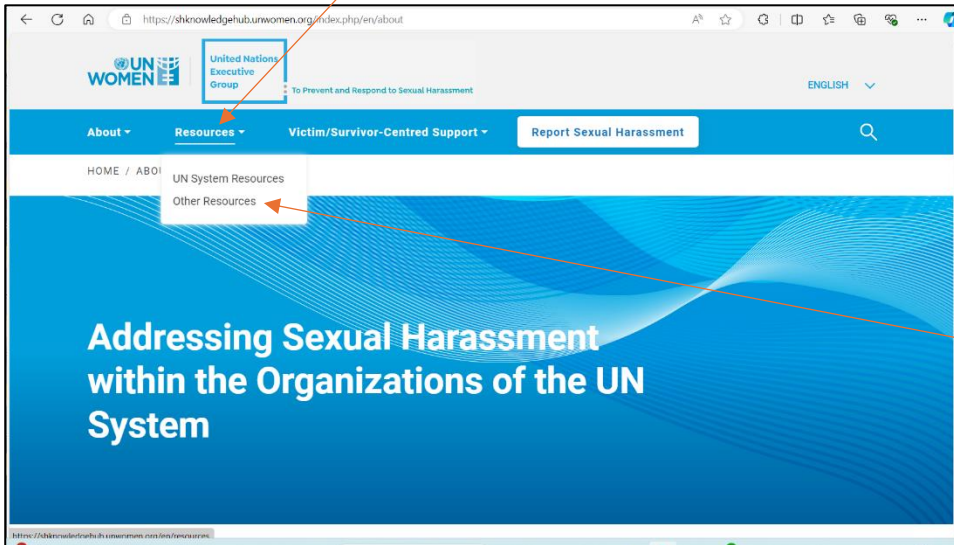

② Submit your resources

- When submitting your resource please add the following additional details:
  - Sharing Organization
  - Language(s) of the resource (note: the same resource can be uploaded in multiple languages)
  - Type of content, by choosing one of the following options: *Communication Materials, Guidelines, Policy Document, Publications, Report, Resolution, Resources, Training Material, Video, Website.*

For more information contact: tamara.drove@unwomen.org or focalpoint.forwomen@unwomen.org.
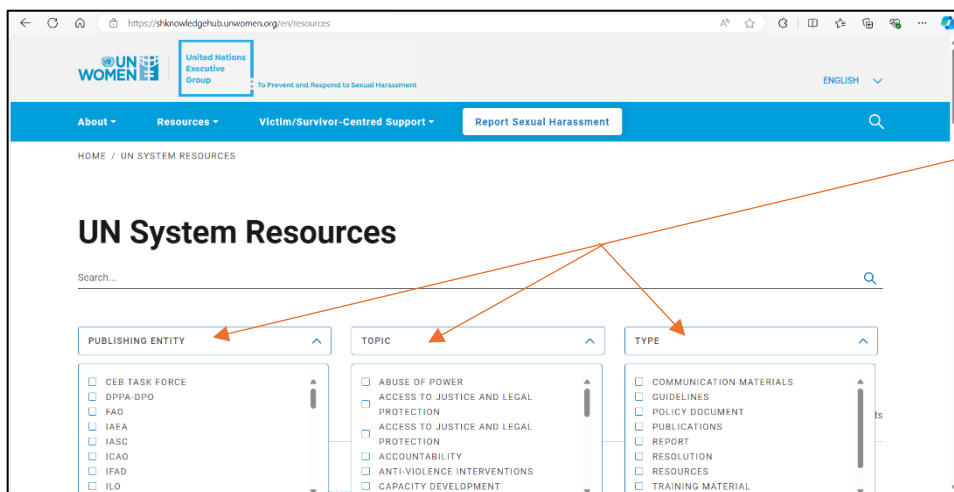

How to download resources on the Knowledge Hub

1 Go to the **'RESOURCES'** tab in the blue navigation bar on the Hub's home page

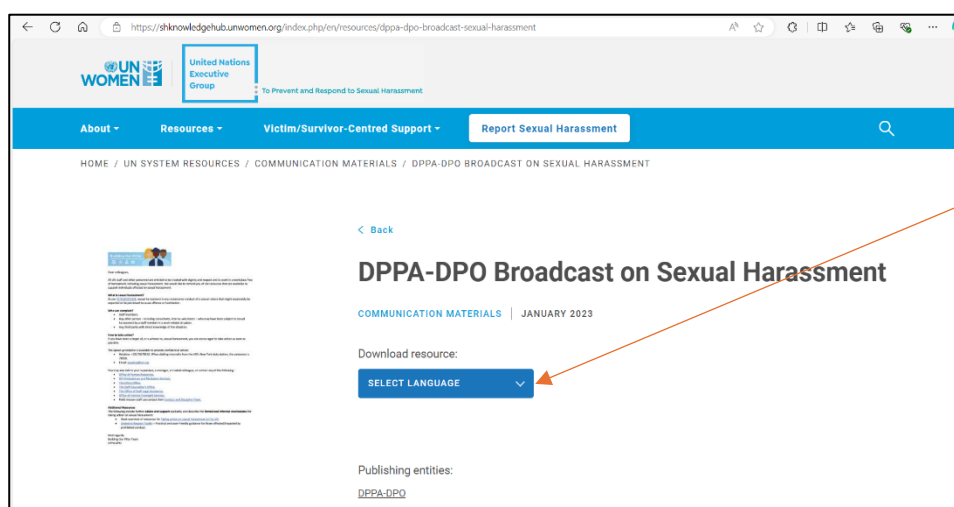

2

Choose one of the two resource libraries.

The Hub contains two resource libraries: the UN System Resources and Other Resources.

3

You can search for resources by title, or filter them by:

- **Publishing Entity**
- **Topic**
- **Resource Type**

4

Once you find the desired resource, click on **'Select Language'** under **Download Resource** to choose your preferred language.

Please note that not all resources are available in all languages.
